Keeping up with Uncle Moishe by Al Zuckerman

Uncle Moishe told me this story on the phone last week that my Aunt had heard when she was playing in her weekly Mah jong game at the senior center on Pelham Parkway. Ruth was telling the ladies that her husband was concerned about her hearing so he decided to

give her a test of his own design. He went to the other side of the room and said, "Honey, can you hear me?" He didn't get any response so he went closer and repeated the question, "Honey, can you hear me?" Again he didn't get a response so he went up to the back of her chair and leaned over and said loudly, "Honey, can you hear me now?" To this Ruth put down the newspaper and turned to her husband and said, "Yaakov, I said "Yes" three times!"

Join our Minyan Tree

From time to time the JHJC is contacted to provide a minyan for either a local or visitor wanting to say Kaddish for a loved one who has recently passed away or whose yahrzeit they are observing.

Such was the case several weeks ago when a visitor from NY staying at the Village needed a minyan so he could recite Kaddish for his mother. A combined group of his friends, several members of Chabad and several members from our congregation gathered together to form a minyan to help him.

The reason I'm mentioning this is that I think it would be a good idea to form a "minyan tree", or a list of congregation members that would be willing to be part of a minyan when it is needed in order for someone to say Kaddish. It is a wonderful mitzvah to be able to help someone in this way.

If we had a list of even 15 or 20 congregants that we could call to see if they are available to help form a
