## Keeping up with Uncle Moishe by Al Zuckerman

Uncle Moishe and his friend Saul Fine were sitting in the Chester Deli on 174th St. in the Bronx after playing some penny and two poker at the Senior Center. As usual, after complaining to Irving, the waiter, about how fatty the pastrami was, the

conversation turned to family. Saul told Unc that his grandson David had a little argument with his wife Sarah the other morning before he left for work in the diamond district in mid-town Manhattan. When he returned home

that evening he saw his wife and daughter reviewing the young girl's Hebrew school homework. David asked his daughter Rebecca what she was learning. Rebecca replied, " Well, we're learning from the Book of Genesis and Mommy told me how HaShem made the first man and woman. Mommy said that HaShem made the man

first but that the man was lonely without anyone to talk to. So, HaShem put the man to sleep. And Mommy said that while he was asleep HaShem took out his brains and made a woman with them." All Unc could say was, "Oy, David's got a lot of making up to do".

### A message from nephew AI: The importance of Member support

The fall season is upon us and with it comes our annual Jackson Hole Jewish Community membership drive. I make it a point to never mention it when addressing the congregation at High Holiday services as I do not feel it is appropriate to talk about such things during this holy time. So, I will just mention it here and now as a gentle reminder to one and all to please remember to renew your membership to the JHJC and if you have never been a member please consider joining the JH Jewish Community. We need your support in order to be able to continue to offer the quality programming that we do throughout the year.

## Back-to-Bet Sefer!

### Classes begin Sept. 19

Shalom Yeladim! It has been a few years since I have taught at Bet Sefer, so I am thrilled to return this year as a part of an All-Star teacher team. Josh Kleyman and Judd Grossman will be back, as well as first time Bet Sefer teacher Ingrid Krasnow. We have some exciting activities planned as well as time- tested favorites such as our Tikkun Olam project and baking challah.

Dust of your books because classes will resume this month. Classes will be held every Thursday from 4-6 p.m. at the JHJC Center at 150 Scott Lane. Tuition is \$425 (\$375 second child) JHJCC members, and \$625 for non-members. There will be a text book each student will be required to purchase.

2012 Family Campers and dogs

## JHJC Family Camp Set for September 20 at The Hatchet Resort

The Jackson Hole Jewish Community's Family Camp is a way for Jewish people who live in the Valley to meet and socialize with other Jews at a non-religious, completely social function.

This summer, the second annual Family Camp will take place on Friday, September 20 at the Hatchet Resort. The Hatchet Resort is north of Jackson,

towards Dubois, about 40 miles. Here is a link to the [The Hatchet Resort](#). Come for as much or as little of the get together as you can.

We will have dinner on Friday evening (possibly followed by a campfire with marshmallows in the adjoining campground); breakfast on Saturday morning and then we can do something together (e.g., hike, bike, kayak, canoe, raft, horseback ride, fish or simply sit around enjoying each other's company and the scenery) as a large group or we can break off into smaller ones. We won't have a Friday night Sabbath service; instead, we will try to have a Saturday morning gathering during breakfast with chazzan Judd Grossman.

## Join our Minyan Tree

From time to time the JHJC is contacted to provide a minyan for either a local or visitor wanting to say Kaddish for a loved one

who has recently passed away or whose yearzeit they are observing.

Such was the case several weeks ago when a visitor from NY staying at the Village needed a minyan so he could recite Kaddish for his mother. A combined group of his friends, several members of Chabad and several members from our congregation gathered

congregation gathered together to form a minyan to help him.

The reason I'm mentioning this is that I think it would be a good idea to form a "minyan tree", or a list of congregation members that would be willing to be part of a minyan when it is needed in order for someone to say Kaddish. It is a wonderful mitzvah to be able to help someone in this way.

If we had a list of even 15 or 20 congregants that we could call to see if they are available to help form a minyan it would be of great service to the Jewish community. If you are interested in helping in this way when we are asked to put a minyan together please email or call Mary at the office so she can put your name on the "minyan tree".
